NAMIB POULTRY

BECAUSE YOU DESERVE BETTER

2 x MACHINE MINDER **PROCESSING PLANT / SECONDARY**

Namib Poultry (Pty) Ltd is a fully integrated broiler production operation established in 2012 and situated 30 km north of Windhoek on the A1 Highway on the farm Klein Okapuka. Namib Poultry (Pty) Ltd is an equal opportunity employer with the following vacancy available at our state-of-the-art Processing Plant. Interested and suitably qualified candidates as well as candidates from the designated groups are invited to apply.

PRIMARY PURPOSE OF THE POSITION

Attend to machine and equipment breakdowns and repairs within designated Production Department and perform maintenance repairs as per instruction by designated manager. Perform daily inspections on production equipment in designated areas.

KEY FUNCTIONS AND RESPONSIBILITIES

Perform preventative maintenance tasks and actions.

- Ensure maximum processing machine and equipment uptime as required.
- Complete maintenance job requests by designated manager.

Maintain and repair faulty equipment cost effectively.

- Perform systematic and correct fault finding.
- Adhere to supplier`s warranty instructions and company rules when repairing equipment.
- Affect repairs according to manufacturer`s specifications and maintenance process.
- Test equipment before handover to production personnel.
- Follow-up and feed-back reporting as required.
- Perform ACM start-up and ensure ACM cut accuracy.
- Inspect processing equipment daily and report defects to designated manager.
- Repair tape and foot sealers.
- Perform ULMA start-up and ensure wrap accuracy.
- Clean and service all equipment as required.
- Perform ad hoc tasks as needed.

Adherence to SHEQ regulations

- Strict adherence to Safety, Health, Environmental and Quality policies and legislation.
- Minimize incidents and accidents and complete reports for submission to Designated Manager.
