## TEAM LEADER

### PROCESSING PLANT / QUALITY ASSURANCE - LAUNDRY DEPARTMENT

Namib Poultry (Pty) Ltd is a fully integrated broiler production operation established in 2012 and situated 30 km north of Windhoek on the A1 Highway on the farm Klein Okapuka. Namib Poultry (Pty) Ltd is an equal opportunity employer with the following vacancy available. Interested and suitably qualified candidates as well as candidates from the designated groups are invited to apply.

#### **PRIMARY PURPOSE OF THE POSITION**

Oversee quality control processes, implementing best practices, and ensuring compliance with industry regulations within the department. - Uphold the quality and safety standards

#### **KEY FUNCTIONS AND RESPONSIBILITIES**

- **Team Leadership**  
Lead, mentor, and motivate the Quality Assurance team in the Laundry Department to achieve and exceed quality targets.  
Conduct regular team meetings, providing guidance on quality standards, performance expectations, and continuous improvement initiatives.
- **Quality Control**  
Oversee the implementation of quality control processes for laundry operations, ensuring the cleanliness and hygiene of equipment, clothing, and related items.  
Conduct regular inspections and audits to verify compliance with established quality standards.
- **Training and Development**  
Facilitate training sessions for team members to ensure a thorough understanding of quality assurance protocols and procedures.  
Provide ongoing coaching and support to enhance the skills and knowledge of the team.
- **Documentation and Reporting**  
Maintain accurate records of quality control activities, inspections, and any deviations from established standards.  
Generate reports on quality performance, identifying trends, and recommending corrective actions.
- **Collaboration**  
Collaborate with other departments, including production and maintenance, to address quality-related issues and implement preventive measures.  
Liaise with the Quality Management to communicate key quality metrics and participate in continuous improvement initiatives.
- **General**  
Assist with additional Ad Hoc Task if and when required by management.
