BECAUSE YOU DESERVE BETTER

vacancy

Engineer in Training (EIT):

Mechanical Engineering (x1)

Electrical Engineering (x1)

Chemical Engineering (x1)

(Fixed-term positions)

Namib Poultry (Pty) Ltd

OVERVIEW

The Company is committed to economic development in Namibia and invites applications to apply to the **Engineer In Training (EIT) Programme** for young Namibians. Our **EIT Programme** has been designed to develop recent graduates into the future talent of tomorrow. The Company seeks graduates that are team orientated, self-motivated and innovative.

This **EIT Programme** is a development programme aimed at developing strong succession within the Company.

The positions are mostly located in Windhoek, Namibia *(some EIT's may travel from time to time).*

DUTIES AND RESPONSIBILITIES:

The successful candidates will gain the opportunity to be trained and developed. It will also afford this individual the opportunity to gain the necessary skills needed to start their career in their specified area of interest. The Programme runs over a fixed period; after which the opportunity exists to be considered for a permanent placement. This is subject to the performance of the individual as well as the placement Company's continued operational requirements.

TERTIARY QUALIFICATION REQUIREMENTS:

- Bachelor's degree in Mechanical Engineering (x1 candidate);
- Bachelor's degree in Electrical Engineering (x1 candidate);
- Bachelor's degree in Chemical Engineering (x1 candidates).

Only candidates from the above-mentioned fields will be considered. Placement will relate to field of study.

ELIGIBILITY FOR A GIT PROGRAMME PLACEMENT:

- Namibian Citizen;
- A valid Namibian Driver's license;
- An excellent academic history supported by a report from the school with at least an average C symbol;
- Recognised tertiary degree in one of the fields mentioned above;
- Applicant must have graduated within the last two (2) years or be a recent graduate.

APPLICANT DOCUMENTATION REQUIRED:

- Comprehensive CV;
- Full academic record (Includes Grade Twelve (12) as well as Tertiary Qualification results);
- Certified Copy of ID / Birth Certificate;
- Certified Copy of valid Namibian Driver's license.

Interested persons can email their application to: **internships@npi.com.na**

Only shortlisted candidates will be contacted for interviews. Please clearly indicate **EIT Electrical Engineering / EIT Mechanical Engineering / EIT Chemical Engineering** within the reference of your email application.

KINDLY NOTE: APPLICATIONS FOR FIELDS OF STUDIES OTHER THAN THE ABOVE MENTIONED WILL NOT BE CONSIDERED. THE DECISION OF THE ENGINEER IN TRAINING PROGRAMME COMMITTEE IS FINAL AND NO CORRESPONDENCE WILL BE ENTERED INTO. ONLY SHORTLISTED CANDIDATES WILL BE CONTACTED AND NO DOCUMENTS SHALL BE RETURNED TO UNSUCCESSFUL APPLICANTS.

Closing: 8 November 2024
